

The Real Rider Cup

RIDER:

CLIFFORD BARRY

It was Clifford's grandfather who sparked his interest in working with Thoroughbreds, an interest that developed into a love for the business that has continued for over 30 years. A native of Ireland, he treasures his opportunity to work at Godolphin's prestigious Kildangan Stud under Dr. Michael Osborne, his mentor who encouraged him to come to America and to work at Pin Oak Stud in 1988. Clifford worked his way up through the ranks at Pin Oak to become farm manager in 1994 to presently serve as its General Manager. The farm has celebrated numerous successes under his management that include Peaks and Valleys (Canadian Horse of the Year & Champion 3yo Male) and Hasten to Add (Canadian Champion Turf Horse), earning Pin Oak the national and state breeder of the year titles. He is also honored to have handled the careers of stallions Maria's Mon (sire of two Kentucky Derby winners), champion Sky Classic (sire of 6 champions) and Broken Vow (sire of 6 champions). Other involvement in the industry has led Clifford to serve on boards and committees in the KTA/KTOB, TOBA and Kentucky Thoroughbred Farm Manager's Club, the latter honoring him with the Farm Manager of the Year award in 2007. He is currently a Keeneland Club member and a member of The Grayson-Jockey Club Research Foundation. Clifford has very recently been appointed director of the board at the University of Kentucky's Gluck Equine Research Foundation.

Clifford is an accomplished rider, having ridden for a national show jumper in Ireland and also winning the inaugural running of the Blood-Horse Sportsman's Challenge in 1993 at Lexington's High Hope Steeplechase. He currently enjoys riding Pin Oak yearlings during their breaking process. Clifford and his wife, Elizabeth, have privately owned and bred horses under the name of Brookfield Stud, which has produced graded stakes Louisiana Derby winner High Limit, Florida Derby winner Soldat and Fountain of Youth winner Itsaknockout.
